Activities to ensure implementation of policies as well as awareness programmers in the form of seminars and talks by renowned personalities are held by the Cell. An online account on social platform via face book for wider interaction is maintained by the Cell. A complaints and/or suggestion box has been strategically placed to receive any letters or written matter in this regard ensuring the anonymity of any person concerned for fair evaluation. All the members of this Cell share a common vision of welfare for those belonging to the SC/ST/OBC category and actively contributes to the evaluation and Development of the Cell.
