## Report on

### *Career Counselling Session*

24<sup>th</sup> July, 2025

### **ESSR INFOSYS**

*In collaboration with: Career Counselling and Placement Cell & IQAC of Panchur College, organised a motivational camp on 24<sup>th</sup> July, 2025, from 12 P.M. onwards. On this day, our college successfully hosted a one-day counselling session highlighting ESSR INFOSYS. Job-oriented skill development courses, which garnered significant student interest due to their practical 'learn and earn' approach and nominal fee structure.*

*The Resource Person, Ms. Urmi Adhikary, emphasized during the interaction that students have expressed a strong and growing interest in structured add-on programs as well as meaningful internship opportunities. She noted that this demand reflects students' aspirations for enhanced skill development and real-world exposure. According to her, this insight clearly indicates the need for the institution to strengthen academic–industry linkages, design value-added certification courses, and create more avenues for experiential learning in the upcoming academic sessions. Twenty-five students actively participated in this motivational seminar.*
